Faculty Development Program

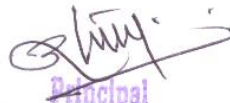

Faculty development for Importance of Technology in Education and Importance of research in education

'A workshop on faculty development program' was organized on **08 July 2023** at J.K.Jadhav college vaijapur On the above topics, This was a one day workshop for Faculty Development where various related sub topics were also discussed in detail by eminent educationists In this workshop very beneficial academic environment was experienced by the participants. The dignitaries were welcomed by the Principal and presented flowers. The first technical session was on the topic **Importance of Technology in Education** and the guest speaker was Dr. Bhingardeo V.P. , Sir discussed the importance of technology in Education. and the latest trends which are observed in various institutes and the perception of teachers regarding the same. The lecture was very beneficial and provided an insight on the various challenges associated which a teacher educator has to overcome. The technical session was followed by lunch.

On this day technical session second was organized. The guest speaker was Dr. Bawane V.S. (Principal Jivan vikas mahavidyala shivoor) He discussed about **Importance of research in education.** There was exchange of ideas on the issues concerning the educational researches. It was also discussed the requirement of the educational scenario and how research activities can be carried out by teachers in limited time span and with limited resources. All faculty members participated in session. Session Ends with vote of thank given by Shri . Kotkar sir .
